

VALUES CHARTER

1. The staff of Hervey Bay Special School value integrity, honesty and respect in our personal and professional actions and decisions.
2. We take pride in our profession and we are committed to delivering our vision to enhance educational and social opportunity for our students.
3. We will create a positive culture that is supportive of individual difference, skills and talents.
4. We value open communication, the pursuit of common goals and effective collaboration with all stakeholders.
5. We encourage and empower each other in developing and achieving personal and professional goals.
